## My Memory Kite

We have just spent a wonderful year together, learning, growing, and trying new things. Think about everything you did this year - at home, at school, and in your after school activities. What are some really special things you would like to remember?

Use words and drawings

## My Memory Kite

## My Memory Kite

Sketch your plan for your kite here. Remember that everything needs to be big enough to see when your kite is high up in the sky! So fill up each section with one or two drawings! Don't forget to add your name and the year too!
