

Building Relationships with Name Tents

Use these simple name tents to get to know your students! These are especially helpful if you teach a large number of students. At the end of every day ask students to fill in a box. Examples of specific questions you could ask are:

- What are your strengths as an (artist, writer, mathematician etc)?
- Who did you eat lunch with today?
- What is something you would like me to know about you?
- Describe a typical day outside of school for you?

Print the template back to back on cardstock so they last.
